II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

I Nicholas D'Artagnan Dumas demand an injunction on the 2020 Federal Presidential Election; predicated upon unfair practices by Federal and State Agencies.

Residence - ANIMUS MANENDI. The intention of remaining.

The following institutions failed to provide services based upon, what appears to be, a Patriot Act stipulation for a Physical Residence Address: Federal Elections Commission, FinCEN (Banner Bank, Mechanics Bank, Wells Fargo, Bank of America), USPS (PostNet, UPS), DMV, IRS, EDD, Blood Bank, +others

2018: I, Nicholas D'Artagnan Dumas, was asked to lie, at multiple DMV's and Banks, about my residence address while being 'shelterless' with no, permitted, physical residence address; barring the ability to: receive private mail, open a bank account / safety deposit box, file for unemployment, receive stimulus, or register, timely and properly, with the FEC.

Traveling individuals, while residents, without specific residential street addresses are barred from participating in the elections due to inadequate implementations.

> RESIDENCE. The place of one's domicil. (q.v.) There is a difference between a man's residence and his domicil. He may have his domicil in Philadelphia, and still he may have a residence in New York; for although a man can have but one domicil, he may have several residences. A residence is generally transient in its nature, it becomes a domicil when it is taken up animus manendi. Roberts; Ecc. R. 75.

> 2. Residence is prima facie evidence of national character, but this may at all times be explained. When it is for a special purpose and transient in its nature, it does not destroy the national character.
